The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Fullerton Fire Engine Acquisition in Fiscal Year 2027. The entity to receive funding for this project is the City of Fullerton, located at 2691 Rosecrans Ave. Fullerton, CA 92833.

The funding would be used to acquire a new National Fire Protection Association-compliant Type 1 fire engine for Fullerton Fire Department Fire Station 6, which serves a Cal Fire-designated Very High Fire Hazard Severity Zone and a high-risk wildland urban interface area. The new engine will improve first-response effectiveness, reduce response limitations in high-risk terrain, and enhance firefighter and public safety. It will also allow the City to reposition the existing aerial apparatus to a more urban service area where it is better aligned with operational needs. The project is an appropriate use of taxpayer funds because it would acquire a critical public safety asset for a high-risk residential interface area, protecting homes, infrastructure, and residents from fast-moving wildfire and structure fire threats.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Derek T. Tran
