The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Police Headquarters Real-Time Operations Center in Fiscal Year 2027. The entity to receive funding for this project is the City of Garden Grove, located at 11222 Acacia Parkway, Garden Grove, CA 92840.

The funding would be used to complete and equip a state-of-the-art Real-Time Operations Center within the City's Police Headquarters. The Center will integrate existing data systems into a unified, proactive platform to enhance emergency or disaster response, regional event coordination, crime reduction, and overall public safety. The project is an appropriate use of taxpayer funds because it delivers measurable public safety benefits, improved officer safety, and strong returns on public investment by improving efficiency, reducing long-term recovery costs, and strengthening regional collaboration across Orange County.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Derek T. Tran
Member of Congress
