The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Police Department Real-Time Crime Center in Fiscal Year 2027. The entity to receive funding for this project is the City of Westminster, located at 8200 Westminster Blvd, Westminster, CA 92683.

The funding would be used to acquire technologies and equipment, including interoperable communications technologies, modernized criminal record technology, and forensic technology to establish and sustain a Real-Time Crime Center. The project is an appropriate use of taxpayer funds because it helps local law enforcement agencies respond more effectively to public safety incidents and allows the agency to reorient the emphasis of their activities from reacting to crime to preventing crime and training law enforcement officers to use such technologies.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Derek T. Tran
