The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Mechanical, Electrical, and Plumbing Improvements Project** in Fiscal Year 2026. The entity to receive funding for this project is the **Buena Park Library District**, located at **77150 La Palma Ave, Buena Park, CA 90620**.

The funding would be used to modernize infrastructure, improve accessibility and enhance overall working conditions for law enforcement personnel. The City of La Palma is submitting a Community Project Funding request in the amount of \$2,248,000 to fund significant mechanical, electrical, and plumbing improvements. The project is an appropriate use of taxpayer funds because the project represents a cost-effective investment in public infrastructure that will extend the life of the Library building, minimize future emergency repairs, and allow the Library to better serve the evolving needs of a growing population.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Derek T. Tran". The signature is stylized, with a large, looped "D" and a horizontal line above the "T".
