The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fire Station 1 Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Fountain Valley, located at 10200 Slater Ave. Fountain Valley, CA 92708.

The funding would be used by the city to build a new station that will allow the Fountain Valley Fire Department to better respond to emergency situations and reduce overall response times throughout the community, providing immediate public benefit and will also serve the region as a qualifying Emergency Operations Center. The project is an appropriate use of taxpayer funds because it will modernize a critical fire station, reduce EMS response times, increase emergency operations functionality, and add training opportunities for the Fountain Valley community.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of these requests.

Sincerely,

Derek T. Tran
